Sir:

Transmitted herewith for filing is the Patent Application of:

Inventors: Calderaro, et al.

For: **System and Method for Resource Reduction Receipt Log and Audit Trail**

Enclosed are:

X Applicants Response to Notice to File Missing Parts mailed to Applicants on February 21, 2002, with enclosures. As the due date of April 21, 2002 is a Sunday, Applicants' filing of this Response on this day, Monday April 22, 2002, is timely pursuant to 37 CFR § 1.7.

X Applicants have shown that the Notice to File Missing Parts was sent to Applicants in error, therefore Applicants believe that no fee is necessary. If, after considering Applicant's proofs, the Commissioner deems that the surcharge set forth in 37 CFR § 1.16(I) should still be incurred by Applicants, then the Commissioner is authorized to charge my Deposit Account No. 09-0447 in the amount of \$130. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

Applicants' Response to Notice to File
Missing Parts of Nonprovisional Application

Applicants received the *Notice to File Missing Parts of Nonprovisional Application* (the "*Notice*"), filed under 37 CFR § 1.53(b) with a mailing date of February 21, 2002 (see enclosed copy of *Notice*). The *Notice* asserts that the signature for one of the inventors, William Daniel Ordway, Jr., was missing from the oath or declaration. For the reasons set forth below, Applicants respectfully disagree with the assertion set forth in the *Notice*. Applicants respectfully request that the Commissioner examine the papers filed by Applicants on January 8, 2002 to confirm that the Declaration of Mr. Ordway was duly filed along with the application. Applicants are confident that, upon examination of the relevant documents, the Commissioner will conclude that the *Notice* was sent to Applicants in error and, therefore, the surcharge as set forth in 37 CFR § 1.16(I) should not be charged to applicant. If, however, the Commissioner deems such surcharge to be proper, the Commissioner is authorized to accept the enclosed Declaration of William Daniel Ordway, Jr. in response to the *Notice*, and charge the Deposit Account shown on the enclosed Transmittal Letter for the applicable fees.

Applicants filed the above referenced application on January 8, 2002. Applicants filed two separate Declarations along with the application and other papers. Applicants' postcard, returned to the Applicants with a U.S. Patent Office date stamp of "01/08/02," clearly indicates that two Declarations were filed along with the application (see enclosed copy of postcard). In addition, Applicants noted that two Declarations were being filed on the transmittal letter that was also sent to the U.S. Patent Office. The undersigned attorney for Applicants spoke to "Monica" at the Initial Patent Examining Division on April 18, 2002. Monica confirmed that the transmittal letter found in the U.S. Patent Office's application file indicates that two Declarations were filed (see enclosed copy of transmittal letter).

One of the two filed Declarations was duly executed by William Daniel Ordway, Jr. and filed with the U.S. Patent Office on January 8, 2002 along with the application and other papers. A copy of this Declaration is enclosed. The enclosed Declaration of Mr. Ordway satisfies the missing parts assertion set forth in the *Notice*.

37 CFR § 1.8 Certificate of Mailing or Transmission

The undersigned certifies that he has deposited these papers (and any enclosures) as First Class Mail in a U.S. Post Office Box with sufficient postage pursuant to 37 CFR § 1.8 on April 22, 2002.

Serial No. 10/042,414
Docket No. AUS920010786US1
DATE: April 22, 2002

Applicants believe that no surcharge as set forth under 37 CFR 1.16(I) is due because the Declaration, cited as missing in the *Notice*, was filed with the Application on the filing date of January 8, 2002. If, after consideration of Applicants argument and enclosed copies of relevant materials, the Commissioner deems that the surcharge under 37 CFR 1.16(I) is appropriate, then the Commissioner is authorized to charge such fees to the Deposit Account noted on the enclosed Transmittal Letter.
